PC:

The present petitioner who was working as Lecturer came to be transferred from one college to another and aggrieved thereby he filed an appeal before the University and College Tribunal. The Tribunal has dismissed the appeal by holding that the Tribunal has no jurisdiction to entertain the appeal having regard to section 59 of the Maharashtra Universities Act which provides a Appellate Forum only against dismissal, removal, termination and reduction in rank being appealable. Perused the order passed by the Tribunal. It does not suffer from any illegality. Even otherwise the learned counsel for the respondent categorically states that during the pendency of this petition the grievance of the petitioner stands redressed in as much as he is posted in only one college at Ozar and continued in services at Ozar. In the result there being no merit in the

petition same is dismissed. Rule stands discharged.
